
YES FINAL SUMMARY

The purpose of the YES Final Summary is to demonstrate how the Participant has been impacted by the YES Certification Process.

PARTICIPANTS NAME - **Write your first name, middle initial and last name:**

Instructions:

You will perform this final activity in the presence of a YES Team Member. You will reflect on all seven YES skills and the portfolio process you are completing. In your own words, think about the following three questions and write your answers on this form. This must be your own personal work. The page length, font, etc. are your choice. Be concise - multiple pages are not encouraged.

Based on the 7 areas of Youth Employability Skills:

- 1. What skills would be most important to an employer?**

- 2. How have you demonstrated those skills?**

- 3. How will you use these skills in the future? (For example, how will it help you reach your goals?)**

Did you need anyone's help to complete this section of the portfolio?

- NO
 YES If yes, describe the assistance you received.

It is highly recommended that the Participant follow up with a thank you letter or note to all YES Team Members.
